PART B : PROJECT CONTEXT

Introduction:

Tibetan Homes Foundation (THF) is a registered charitable institute dedicated to working for the care of orphan, semi-orphan and destitute Tibetan refugee children. More than five decades have gone by since its small beginning in November 1962 at Mussoorie by His Holiness Tenzin Gyatso the XIVth Dalai Lama. Tibetan Homes Foundation has been taking care of Tibetan refugee children in exile and senior citizens under its old age homes. The institute as a whole tries to work effectively with its mission to care for the Tibetan refugee children in exile under its care, to provide with the best possible means of good education so that these children grow up as self reliant and contributing members of community at large, to impart and inculcate the rich traditions, moral values and cultural heritage of Tibet to preserve and promote our Tibetan identity that faces great danger of being wiped out, to provide a good care needed for senior citizens who are left on their own at the evening of their life, and to render other social services in the form of "Outreach Community Program

Project Summary:

We have a total of 36 classrooms in Tibetan Homes Foundation, Mussoorie with 1200 children studying in the different classrooms. This includes classes from primary, middle to senior secondary. At present, not a single display board is available in classrooms. The display of projects, bulletins, thoughts and student's exemplary assignments were difficult without a display board.

Why the project need?

- ✓ To provide a vital component to learning environment.
- ✓ To make show off from students more perfect.
- ✓ To make information provision to parents and visitors more effective.
- ✓ To convert learning environment stimulating for students especially primary student.
- ✓ A more practical and effective learning tool.
- ✓ A more helpful way to extend student's learning.
- ✓ For educational, management and other purpose.
