This is to acknowledge that we received ₹ 24,39,548 from Norzang Foundation, Switzerland through wire transfer towards the landscape development with cultural entities at Senior Citizens Home located at Tibetan Homes Foundation, Rajpur. A total of 50 elderly people live in this home with 8 staff to look after them.

The project was to develop the landscape surrounding the home. The project also is to install hand prayer wheels for the elderly people at the back yard of the home. A resting space with chairs and a small stupa was also installed at the back yard with the hand prayer wheels. The project is an added gift to our elderly people living in the home during their evening life.

I would like to express gratitude on behalf of our family of Tibetan Homes Foundation for the financial aid towards the successful actualization of this care project.
