This is to acknowledge that we are grateful to Objectif Tibet, France for approving us to use the donation grant towards the bedding project need. The total grant of ₹ 1,18,58.00 (One lacs eighteen thousand fifty eight rupees only) was useful in the provision of furniture and replacement of batteries in computer lab of our branch school at Rajpur.

The fund utilization helps to replace all the batteries in computer lab and to install new furniture and to provide new cultural costumes to our small children studying in Montessori in our branch school Rajpur. The project execution will benefit all our children in Rajpur.

I would like to express my sincere gratitude to all the sponsors and the team of Objectif Tibet, France for the donation fund helping us to implement this small project.
