This is to acknowledge that we get the approval for the fund of ₹ 30,460.00 (Thirty thousand four hundred and sixty rupees only) from "RAINBOW OF MAGNOLIA, Fountains of Life, Seattle, USA" towards the provision of dental care equipment at the Mussoorie school Dental clinic.

We are grateful to our entire friend for assisting us with the grant to replace and equip our dental clinic with necessary equipments. Our thanks to "RAINBOW OF MAGNOLIA, Fountains of Life, Seattle, USA" for the financial aid to provide a new Autoclave or Steam Sterilizer for our children at the dental clinic.

The dental care centre of THF Mussoorie welcomed our Dentist at the start of this year. The charm is our dentist is an alumni coming back home to serve at his best. We have been trying to equip the centre with all the positive response received from our unwavering friends. Thank you to alumni Tenzin Chodak la based in Seattle for referring and connecting our alma mater with the foundation. Our gratitude to board of the Rainbow of Magnolis foundation for supporting our cause towards the provision of pastoral care to children here in THF.

I would like to express gratitude on behalf of our family of Tibetan Homes Foundation for the grant support towards the project implementation.

Be kind whenever possible. It is always possible.
