Project Proposed :	Photography and Videography Club
Location :	Tibetan Homes Foundation
Grant Supported:	₹ 3,61,159.00
Supporting Association :	"RAINBOW OF MAGNOLIA, Fountains of Life, Seattle, USA"

This is to acknowledge that we get the approval for the fund of ₹ 3, 61,159.00 (Three lakh sixty one thousand one hundred and fifty nine rupees) from "RAINBOW OF MAGNOLIA, Fountains of Life, Seattle, USA" towards the continuation and provision of equipment for the photography and videography club.

It is a pilot project initiated at the beginning of year 2017. The club was one of the main activities of children during Saturday activity class. An average of 190 children enrolled themselves in the club with the participation in the bi-monthly news upload. The club came up with all the positive outcomes this year. And it becomes important to provide the necessary equipment to the club which also enhances children's skill and self confidence.

The project continuation is also important when we experience children from primary to senior secondary showing up for the open audition at the start of this year. Thank you to alumni Tenzin Chodak la based in Seattle for referring and connecting our alma mater with the foundation. Our gratitude to the Rainbow Foundation for supporting our cause.

I would like to express gratitude on behalf of our family of Tibetan Homes Foundation for the grant support towards the project continuation.
