This is to acknowledge that we were approved with the grant support of ₹ 2,50,000.00 (Rupees two lacs fifty thousand only) PRM, USAID through SARD Office, CTA, Dharamsala for the improvement of sanitation of two of our larger children homes.

The project sanitation is to provide all our children living in different homes with clean and hygienic toilet and washroom area. We were able to cover only six children homes under the project since March,2017. And the project is left out with 20 larger homes and 11 smaller homes of Tibetan Homes Foundation, Mussoorie.

I would like to express gratitude on behalf of our family of Tibetan Homes Foundation for the support and continuous commitment for the noble cause of PRM, USAID through SARD Office, CTA, Dharamsala

This accomplishment would not have been possible without the support rendered.

Be kind whenever possible. It is always possible.
