This is to acknowledge with thanks to Tibet Relief Fund, UK for their acceptance to provide a grant of ₹ 357,730 (£4,000.00 approximately) towards the provision of care towards our children during the coming two months winter holiday for year 2019.

An average of 150 children remains back with us during the winter holiday every year. The two months holiday becomes very long for our children with the temperature around down with snowfalls. Tibetan Homes Foundation tries to make them feel being cared by implementing few projects during the winter. The projects includes Winter Joyful Class, Winter Picnic cum Exposure to town, summer camps for our branch school Gohri Mafi children and Winter clothing gift to our children and Senior citizens who lives with us.

We try to implement these provisions every year as our priority with funding request. We are very thankful to Tibet Relief Fund, UK for their acceptance to contribute towards the **Winter Joyful Class**.

I would like to express gratitude on behalf of our family of Tibetan Homes Foundation for the support and continuous commitment for the noble cause of "Tibet Relief Fund, UK"

Be kind whenever possible. It is always possible.
