The project was to provide the entire classroom with atleast two display boards which will assist our children with the academic progress showing positive impacts. The project implementation will also help our teachers for an effective classroom teaching. We are thankful to Humanitarian Association, Bosnien for the grant support to actualize the project this year.

I would like to express gratitude on behalf of our family of Tibetan Homes Foundation for the support and continuous commitment for the noble cause of Bosnien, South Tyrol, Italy.

This accomplishment would not have been possible without the support rendered.
