This is to acknowledge that we received Rs. 1, 29,759.00 from Objectif Tibet - France as a general gift donation to be used towards the specific needs for the year 2017. The club was one of the pilot projects of the year with the establishment fund support from one of our unwavering supporter "Tibet Relief Fund - UK"

A total of 192 children enrolled themselves in the club. The provision of equipments becomes necessary as practical session can't be possible without camera and other necessary equipments. We are grateful to all the donor friends and staff of Objectif Tibet France whose consent to utilize the general gift donation made this equipment provision possible.

The pilot project was showing all the positive impacts with the launch of monthly news anchored by the club children and the premiered short movie on Staff day. An opportunity for the children interested in media to try for a base from school.

I would like to express gratitude on behalf of our family of Tibetan Homes Foundation for the support and continuous commitment for the noble cause of Objectif Tibet - France.
