This is to acknowledge that we received Rs. 24,39,548.00 from Norzang Foundation, Switzerland through wire transfer for the installation of cultural entities in the Old Age Home, Rajpur. The project is to provide an added gift and a smooth evening life to our elders living in the home.

The project carries installation of prayer wheels in the home premises, a space for "tsa-tsa" and mani counting, a smooth landscape and resting corners. The need for the establishment of cultural entities in the home came from General Secretary Mr. Karma Chungdak la. And our sincere gratitude to Norzang Foundation for making the provision possible with the generous support.

I would like to express gratitude on behalf of our family of Tibetan Homes Foundation for the support and continuous commitment for the noble cause of Norzang Foundation, Switzerland.

This accomplishment would not have been possible without the support rendered.

Thank you.
